

Silhouette

LORRAINE

24" French door beverage centre. - DBC047D2BSSPR

PRODUCT FEATURES

CovetedCold Technology

The purest level refreshment has been perfected for this refrigeration centre. Unique technology consistently preserves your beverages at 2° Celsius, which is the ideal temperature for absolute temptation.

Keep In the Cool

Low E-Glass seals in the cold in a way that's similar to a thermostat lining. The extremely thin layers of safe and low emissivity materials used in this unit reflect interior temperatures back inside, keeping your drinks properly chilled and protected.

Non-Existent Interference Issues

The zero-clearance hinge system on this unit makes for a flush fit integrated built-in that will blend seamlessly with neighbouring cabinets. Surrounding surfaces will also be safe from bumps and nicks due to these ingenious door joints.

*Where some see room for an appliance;
We see room for an experience*

PRODUCT DESCRIPTION

Whether you prefer a pint over a Pinot, or corks rather than cans, dual temperature zone center has room for both. The French door design makes each side equally accessible, and you will never have to sacrifice any beverage selection again.
