

Silhouette 51 Bottle Built-in Wine Cooler in Stainless Steel

FEATURES

- Dual temperature zones bring an end to tough multi-wine storage decisions. Red and white wines require customized levels of cool, so two Independently controlled sections allow proper temps to be set for your distinct selection.
- Protect the beverages you're properly preserving behind a durable safety lock and key system. This exclusive access allows you to rest assured that no unwanted guests will get into the goods you're chilling, without gaining your permission first.
- The true, blue LED track lighting that illuminates the interior of this unit exquisitely displays your wine without any damaging heat. This feature can be turned on or off at your leisure, so your selection can be in the spotlight or more discreetly displayed.
