24" French door beverage center. - DBC2760BLS

PRODUCT FEATURES

Banish Ice Build Up

The frost-free, fan-forced cooling system in this unit makes unsightly and often damaging ice accumulation obsolete. The efficient defrosting system ensures you'll never deal with over-frozen frustrations.

Eliminate Storage Inconsistencies

Dual temperature zones bring an end to tough multi-beverage storage decisions. Wine and beverages require customized levels of cool, so two independently controlled sections, accessible through classic French doors, allow proper temps to be set for your distinct selection.

Never Be Left In the Dark

The true, blue LED track lighting that illuminates the interior of this unit exquisitely displays your beverages without any damaging heat. This feature can be turned on or off at your leisure, so your selection can be in the spotlight or more discreetly displayed.
