PRODUCT FEATURES

Smooth & Silent Shelving

The Proglide shelving system built in to this unit features 1.5" stainless steel ball bearing glides that allow for full shelf extension and quiet convenience. The extensively-tested tracks are equipped with exclusive anti-vibration technology to safely cradle your finest selection of well-stored wine.

Cutting-Edge Temperature Management System

Superior fan-forced cooling removes the risks of inner climate fluctuations and inconsistencies, while the advanced airflow system efficiently dissipates heat to considerably improve the longevity of the cooling system.

Erase Cleaning Exhaustion

Streaks, scuffs and glaring fingerprints are kept at bay with our smudge-resistant stainless steel technology. This premium finish allows you to enjoy the beauty and sophistication of true stainless steel without the usual upkeep and effort.
